

Xerox FreeColorPrinters Program

Brilliant color. Brilliant low cost.

Looking for an affordable business printing solution? The Xerox FreeColorPrinters program provides organizations with professional quality, in-house color printing capabilities at no capital expense.

Referral ID
845179

As a Xerox FreeColorPrinters member, you'll enjoy:

- **Immediate savings** – The ColorQube® 8570/DN color printer, or Phaser® 8560MFP/D multifunction printer is free.
- **Flexibility** – Customize your documents and print the exact quantities you need on demand.
- **Supply specials** – Limited time supply discounts are available to all new members.
- **Long term support** – A 3-year service agreement covering phone and onsite technical support is included—free.

Meet the printers

The Xerox solid ink printers provide high print quality, dependable output on all paper types—and for less than other machines in their class.

Quick Facts

- **Fast printing speeds** – prints up to 40 pages per minute in color & black-and-white.
- **Cartridge-free Solid Ink** – less waste, environmentally friendly.
- **High paper capacity** – holds 625 sheets standard.

Is it right for you?

The Xerox FreeColorPrinters program is best for those who print 2,000 pages per month (4 reams) and spend at least \$125 per month on business printing.

Learn more about the benefits of the FreeColorPrinters Program, the Xerox® ColorQube 8570/DN and Phaser® 8560MFP/D at www.freecolorprinters.xerox.com or by speaking with a program expert at 800-201-7835. Some restrictions apply.
